

TÜV Automotive GmbH

## Confirmation

**No.: QM EMC TA 11 03 60**

**ONROX AB**

**Jägersrovägen 204  
S-213 77 Malmö**

**Sweden**

has been inspected with regard to the Initial assessment as base for international granted by the German Federal Motor Transport Authority Kraftfahrt-Bundesamt (KBA).

The initial assessment following the legal requirements regarding its QM system has been performed with positive result.

ONROX AB is accepted by KBA and TÜV Automotive as approval holder for electronic electronic products.

The scope of application is valid in principle for the type approval procedure of the KBA at the following "legal applicable ranges".

**EEC directives:**

**72/245/EEC amendment 95/54/EC (Type approvals for the class M/N/O)**

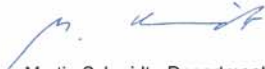

**97/24/EC chapter 8 (Type approvals for 2/3-wheeled vehicles)**

**UN regulation:**

**ECE-R 10 (Type approvals for the class M/N/O)**
